CHRONICLES CURSED SWORD

the cast of characters

KUOCHIEN

The leader of the Black Wolf Bandits, he's a powerful fighter feared by local law enforcement. Despite his reputation, he has his moral best interests at heart and doesn't like to kill without reason. He is a master of the Four Symbols technique, a powerful kinkick.

THE PASA SWORD

A living sword that hangsers for darker blood. It grants its user incredible power, but at a great cost—it can take over the user's body, and in turn, he's evil.

JARVOON, KING OF HAIJUN

Noble and charismatic, Jarvoon is the stuff of which great kings are made. His brother, the emperor, has been acting strangely and apparently has ordered Jarvoon to be executed, so the young king now travels to the capital to get to the heart of the matter. A great warrior in his own right, he does not have magical abilities and is uncomfortable to fighting demons.

SHYCOLIN

A sorceress, and Ray Yan's traveling companion, Shycolin grew fond of Ray during their first years of study together with their master, and thanks of him as her little brother. She's Ray's conscience—his sole tie to humanity. She also seems quite enamored with the handsome Jarvoon.

REY YAN

Ray's origin is remains unknown. An orphan, he and Shycolin were raised by a wise old man who taught them in the ways of combat and magic. After the demon White Tiger slaughtered their master, Ray and Shycolin's destiny was altered. Ray wields the Pasa Sword, a weapon of awesome power that threatens to take over his very soul. Under the right circumstances, he could be a hero.

MOONSLING EMPEROR OF ZHOU

Until recently, the kingdom of Zhou under Moonslung's reign was a peaceful place, its people prosperous, its foreign relations amiable. But recently, Moonslung has undergone a mysterious change, leading the Zhou to war against its neighbors.

WHITE TIGER

One of the demonic white sorcery, Shycolin's ally, White Tiger can change from an angry warrior to a powerful tiger. A fierce, ruthless adversary who kills for pleasure, White Tiger is not a foe to be taken lightly.

SHYAN, PRIME MINISTER OF HAIJUN

A powerful sorcerer who is in league with the Demon Raskin and plots to take over the kingdom. He is the creator of the Pasa Sword, and his master, the Pasa Sword, the Cursed Swords that may be the keys to victory.

The story so far...

From Master Shyan presented the Emperor Mousung with the magical Pafan sword, after which the formerly peaceful Mousung attacked his neighboring kingdoms.

The Emperor's brother, Jaryoon, King of Hahyun, was attacked by a demon monster, apparently under orders from the Emperor himself.

Ray Van and Shyan Lin rescued Jaryoon using Ray's cursed sword. In thanks, Jaryoon let his monster stay in his palace.

Razoborn, the beastly Lord, led a raid on the palace of the night Ray and his army were staying.

...but when the demon White Tiger appears, Jaryoon and Razoborn realize that they have a mutual enemy.

Ray ignores Shyan's warning and uses the Pafan sword to battle White Tiger. For the most of the demon's blood that the Pafan takes, the more Ray loses control.

White Tiger's mortal form has been defeated, but now Ray is under the control of the Pafan sword.

CHRONICLES OF THE CURSED SWORD™

Can Rey control the PaSa Sword,
or will the sword control him?

The PaSa sword was forged in darkness from the bones of demons. It has a life of its own and can bend the will of its user to aid it in its quest for blood. Fate has placed the cursed sword in the hands of Rey Yan, an orphaned warrior who wanders the land with his sister, Shyao. When the demon realm decides to meddle in the politics of man, corrupting the emperor and inciting war, Rey and Shyao find themselves escort to King Jaryoon, the Emperor's brother. Now the three heroes are en route to the capital, but the path won't be easy. Their path takes them past a village haunted by a soul-eating demon tree. While safety would suggest that they take the long path around, Jaryoon's sense of justice and Rey's eagerness to fight leads them into the heart of darkness once more.
